

JOHN CLASS

has had a lifelong fascination with stories, especially biblical stories. Stories somehow always ended at the grave. The promise of the resurrection of the dead would change this. It is electrifying to realize every story is going to be taken up again in the time of the regeneration—in the resurrection of the dead. In this book he opens a window to a whole new DIMENSION of drama. The resurrection of the dead sets the stage for the second act of those who are ALIVE AGAIN!

EVERY HUMAN BEING, YOU INCLUDED, WILL LIVE AGAIN IN THE PARADISE ON THE GOOD EARTH.
